

# Travel support - Trento city – Conference Venue

City buses that reach the Conference venue depart regularly from the bus stop just outside Trento's central train station and other bus stops in the city. There are two lines you can take:

- Line 5\ is the most direct mode of public transport to the venue; its route begins at the stop just outside the train station and takes it to the "Polo Scientifico Tecnologico Fabio Ferrari" stop, which is directly in front of your destination. This is also the last stop of this line.

**NOTE: 5\ does not run all day!** Travels are concentrated in the morning and around 18:00.

- Line 5 is slightly less direct, but **regular** all the day!. It also departs from the train station; the closest stop it makes to the venue is named "Povo Facoltà Scienze". To get to the venue from here, head past the roundabout and continue straight ahead along Via Sommarive as shown below.

The total transit time for both lines is about 23 minutes. A city bus ticket (which is valid for 70 minutes) can be bought within the train station, from automatic vendors at the bus stop outside the station, or at many supermarkets or tobacco shops, **OpenMove** or **DropTicket** smartphone app.
